Dear Friends of Highland Park Boys Lacrosse:

Highland Park Boys Lacrosse, Inc. now has over 450 boys participating on our teams from 1st grade through 12th grade. We have seen tremendous growth of the sport, both in our club and across North Texas, since HP first fielded teams 14 years ago.

We pride ourselves at Highland Park for having the premier boys lacrosse program in Texas. It is through the hard work and financial support of volunteers and parents over the years that we have reached that level, winning four Division I Texas High School Championships and one Division II Texas High School Championship. Not only have we produced a wonderful program for your boys, we have also gained national recognition. Our high school varsity team has been invited by *Inside Lacrosse Magazine* to play Lawrenceville Academy, one of the premier eastern boarding school programs, in April 2010 in the first athletic event played at the new New York Giants Stadium as part of an all day lacrosse event that features teams including Syracuse University and the University of Virginia. We have also been able to attract nationally ranked high school teams to North Texas to play games as part of our regular season. Not only does this give our boys tremendous east coast presence for college recruiting, it gives our program visibility, which will help us attract quality coaches from out of state.

The fees we charge at the high school level are purposefully kept below the actual costs associated with producing a high quality lacrosse program. We have been able to produce a quality program because of the generous support of parents like you. Donations from parents have helped to offset operational costs and have made major capital expenditures possible. As a club program, we do not receive any financial support from the HPISD. With the closure of the MIS fields this spring, we have spent in excess of \$25,000 to add a third full field at our Southwest Airlines property as an additional High School, Youth and Bantam practice/game location in addition to the five other fields we will be renting for our youth and bantam teams.

As we kick off the 2010 season we first wish to thank all of you who have become sponsors of Highland Park Lacrosse. Although we realize what a difficult time it is to raise money, your support is more critical than ever. If you find it within your resources to make a donation for the present and future of lacrosse in Highland Park we thank you. Your donation to Highland Park Boys Lacrosse, Inc. 501(c)(3) is tax deductible.

We have an exciting year ahead and look forward to seeing everyone at the games.
